It is your responsibility to have all your documents available at this time, (KA Reference Number page, Photo and Birth Certificate, if under 18 years of age).
Incorporated into your licence application is the “Safety Training Video and Safety in Karting Questionnaire”, which you will be required to view and acknowledge as completing, before your licence application will be accepted. The Safety Training Endorsement will be automatically credited to your licence. A further “Observed Driving Session” procedure can be completed during a Practice session at your track.
Relevant Licence fees are - \$250.00 for Competition, or \$120.00 for E Social/Practice Licence, etc.
You have the option of also paying for your Club Membership at the same time as you are applying for your licence. Karting Australia has introduced a new function in “Club Welcome Functions”, namely, “Maintain Club Membership Rules”. Click on this and follow the instructions. A receipt of payment will automatically be sent to you and this Office.
- Once this, and the IKC membership form is received, your membership card and receipt will be sent to you in the mail. You can track your status, race history and update your details by logging back into the KA website with your log on (licence number) and password (hit “forgotten password” if you cannot remember it, and the system will send you an email with your password).

To Renew your Licence:

Log on to KA Website www.karting.net.au

Click on “Licences and Entries” tab, then “Renewal of Licence”.

- You have the option of paying for your Club Membership at the same time as you are renewing your licence. (Please renew your licence at least 3 weeks before it expires, the KA CMS system will not let you renew from 5 days out of your expiry date).
- Log onto Karting Australia website www.karting.net.au
- Click on “Licences and Entries” then “Renewal of Licence”.
- Log on by filling in your licence number and password. If you don’t have a password, put in your licence number and then hit “forgotten password” and the system will send you your password to your email address. If you don’t have an email address registered with your details, email the Licencing and Membership Officer and ask if he /she could add your email address to your details. This could take up to a week to be approved by the Karting Qld, then you will be able log onto the CMS system and check your details.
- Karting Australia has introduced a new function in “Club Welcome Functions”, namely, “Maintain Club Membership Rules”. Click on this and follow the instructions for renewing your Club membership. A receipt of payment will automatically be sent to you and this Office.
- Once this, and the IKC membership form is received, your membership card and receipt will be sent to you in the mail.
- If your membership and/or licence has expired, you are not allowed on the track until your membership and/or licence has been processed (*it is an offence under Competition Rules, Chapter 4, Rule 2(b) for licence holders to practice or race on an KA circuit without a current membership*).
- Print off “Request for Temporary Extended Licence” for your records.
- You can track your status, race history and update your details by logging back into the Karting Australia website with your log on (licence number) and password (you will be sent your password in an email after you have applied for your licence).

Failure to renew KA License by its expiry:

If a competitor fails to renew their KA licence within 30 days of the Expiry/Anniversary date on their licence ****A PROCESSING FEE OF \$20.00 IS TO BE APPLIED****

In this instance, the 12 months will apply from date of processing, but as opposed to new licence fee; drivers will not lose their Grading rating.

To renew your licence, your Club membership must be at least 3 months before expiry date. You will not be able to renew your licence online 5 days out from licence expiry date.

Use of the IKC circuit is only for current Karting Australia license holders.
It is an offence under Competition Rules, Chapter 4, Rule 2(b) for license holders to practice or race on any Karting Australia affiliated circuit without a current full club membership and KA license – please check with the Licencing / Membership Officer that it has been processed before going out on the track.
