

## **CLUB CHAMPIONSHIP POLICY 2020**

This document outlines the Ipswich Kart Club Championship Points Policy. Stated herein are the eligibility requirements and the points system for the Class Championship and overall Club Championship.

Eligibility In order to be eligible for a Class Championship member must do the following:

1. Compete in at least the minimum number of championship rounds (per class) as follows:
  - 5 out of 6 rounds
2. You must complete two (2) working bees for the year, the first one between 1st January and 30th June and the second working bee completed between 1st July and before the conclusion of the final race meeting for the year. A working bee will consist of a minimum of 6 hours work.
3. If you volunteer at a race meeting for a full day you will receive one (1) Free race entry to an IKC club championship round in 2020. This offer is only eligible for one (1) time throughout the year. Race day duties will not count towards club championship points or eligibility.
4. Two (2) free practices will be handed out to anyone who volunteers a full day of race duties if they have already received their free race entry for the year.

Notes:

- A Club Duty is described as assistance given to the club on a race day or any other time. Members will be assigned an official duty such as Flag Marshall, Scales Marshall, Grid Marshall or Lap Scoring assistant or any other duty required. Duties are assigned by the Club Race Secretary.

- A working bee is described as a full 6 hours at the track with general maintenance and upkeep of the grounds and amenities.
- Each working bee or club duty must be signed off by the President, Club Secretary or organizing Club Official.
- You must register with the club secretary your intention to attend a club duty or working bee and the class the points are to be allocated.
- Members may nominate one family member or friend to complete a Working Bee.
- If a competitor is excluded from an entire event zero (0) points will be awarded and not be able to drop that event or race.
- You must be a financial member of IKC at the time of racing to be awarded championship points for that race meeting.
- You must drop the worst scoring RACE (not event) of the year, but you must have competed in that race to drop it. Non attendance races can't be dropped. DSQ can't be dropped.
- Even if you DNF you will be awarded points for where your finishing position is listed. You must face the starter in the final to be assured of points.
